DRINKS

COLD COFFEE DRINKS

Unlike most other coffee bars, we do not use pre-mixes or powders to prepare our cold coffee drinks. The Café Patisserie espresso serves as the foundation for all our drinks so once again, the drink is only as good as the espresso.

Iced Latte **£3.95**

We use a double shot of our espresso, six ice cubes and milk. That's it! The secret is the espresso and a really good blender. 20 seconds of blending and you have a superb, refreshing coffee drink.

Iced Mocha **£4.45**

This is identical to the latte but we add two heaped teaspoons of chocolate powder to the coffee before adding milk, ice and blending.
